Spring, 2022

Dear Friend of Chicago's Airport Chapels,

Greetings from Chicago's Interfaith Airport Chapels. Although we all continue to face the challenges of the pandemic, things are much better, and I am happy to report that air travel is approaching pre-pandemic levels. That is good news!

There is more good news in your support of the chapels at O'Hare and Midway. I can personally tell you how much your support has helped the mission and ministry of the chapels. We have been able to give encouragement and solace to people who struggle in so many ways. We have been able to provide a place for worship, for joyful gatherings, and for fostering faith and hope. Thank you for your generosity!

The impact of the chapels is written in the stories of people like you. For example, a young woman on pilgrimage to the Holy Land told me, "Father, it is so good that we start our trip in the chapel." A flight attendant who regularly comes to the chapel, told me, "Father, the chapel is like the North Star for me, a place of centering on what really matters." If you have a story, share it with us either by email or regular mail.

The chapels are home to people of faith from many different traditions. Stop by and you will find opportunities for Catholic Mass, Muslim Juma Prayer, Protestant Worship, and materials for Jewish prayer. It is truly wonderful to be able to welcome people of faith and good will in all their diversity! Thank you, too, for making that happen.

If you can continue your support of the Interfaith Airport Chapels, I assure you we will use your gift well. We will remember you and your loved ones in our prayers. We will always be grateful.

May God always bless you and your loved ones,

Rev. Fr. Michael G. Zaniolo, STL, CAC
Administrator
