Dear Friend of Chicago's Airport Chapels,

Thanksgiving is here and I have much to be grateful for. I thank God for all the people like yourself who visit and support the chapels. I wish I could thank you more often for your support.

Before...

Over the past many years the activity on the mezzanine level by the Midway Chapel has increased making our oasis not as peaceful as we would like and you deserve. We have been blessed with so many generous donations that we recently installed a beautiful sound-muffling door at the Midway Airport Chapel! Keeping in mind your safety and security, as you can see from the pictures that we also installed windows in and around the new door. Our chapels are a place of spiritual refuge for thousands of travelers and airport workers. It is now as quiet and prayerful at the Midway chapel as it is at the O'Hare Chapel!

After!

The new door reminded me of a line from Psalm 118:

***Open to me the gates of righteousness,
that I may enter through them and give thanks to the Lord.***

I know that I get many appeals from charities asking me for a donation before the end of the tax year. Like you, I must choose a few who will receive from my limited resources, and I choose with much care and prayer. Please allow me to call on your generosity during this time of year to support the O'Hare and Midway Airport Chapels. You personally know how important our chapels are for the travelers and airport workers. I want you to know how grateful I am for your support and prayers!

May God bless you and your loved ones with safe travels. Please feel free to stop by and say hello whenever you are on a break from work or are traveling. Thank you for your prayers and support of our ministry, and know that you are always in our prayers.

Sincerely,

Rev. Fr. Michael G. Zaniolo, STL, CAC
Administrator
