## The Solemnity of All Saints — November 1, 2020

See what love the Father has bestowed on us that we may be called the children of God. — 1 John 3:1

### OUR HOPE AND GOD'S PROMISE

The Church uses these waning November days and darker skies as the season to remind us of the last things. Today's feast, the Solemnity of All Saints, is the centerpiece of three days that point to doctrines we proclaim each time we say the Apostles' Creed: "We believe in the holy catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body and life everlasting." And while the days and our hearts may be dark, the readings today are bright with the light of faith. John's vision in the book of Revelation reveals dazzling angels and white-robed saints gathered in triumph around the throne of God. In the responsorial psalm we sing our longing to see God's face, and in the second reading John writes that we are God's children and will, in fact, see God "as he is" (1 John 3:2). This is our hope. This is God's promise. Today we celebrate the triumph of those who already gaze on the face of God. Tomorrow we cry out for mercy with those in purgatory, who, like us on earth, still long to see God's face. Copyright © J. S. Paluch Co.

## Feast of All Souls—November 2

**All Souls Day, Monday, Nov. 2**, a day Anglican and Catholic Christians set aside for intercessions for the dead. A special Purgatorial Society Mass will be celebrated on All Souls Day by the Catholic Chaplaincy. The Feast of All Souls commemorates all the Faithful Departed and is a day of memorials and remembrance. "From the beginning the Church has honored the memory of the dead and offered prayers in suffrage for them, above all the Eucharistic Sacrifice, so that, thus purified, they may attain the beatific vision of God." (Catholic Catechism, 1032) November 2nd, indeed the entire month, is a time when we pray for the souls of the dead. At the O'Hare Airport Chapel, Mass will be offered for those names submitted to us. Thank you to all those who participated in this year's memorial.

# This Week in the Life of the Church - Feast Days and Notable Events in Church History

**Sunday, November 1, 2020**

✦ **ALL SAINTS DAY:** Today we commemorate all the saints in heaven, but particularly those without any specified feast day of their own. **St. Pope John Paul II**, on this day in 1991, said, "The saints are in fact those who put into practice the **Sermon on the Mount** and who become poor, humble, merciful, loving, patient, pure of heart and peacemakers" for the love of God. "This is the way we also should act if we want to follow their destiny of eternal bliss."

The Irish Church is credited with celebrating this feast on Nov. 1; they often commemorated important feasts on the first day of each month. From Ireland, this date spread to England and the continent, and appears listed on this date by the beginning of the 9th century. At Rome, the feast was celebrated with a vigil and fasting in the **10th century**, but Rome borrowed from the East the date of **May 13**. In Syria, there was a feast in honor of all the Christian martyrs, and St. Ephrem composed a hymn for the feast. On May 13 in 609, Pope Boniface IV dedicated the **Pantheon** in Rome as a church in honor of "Mary ever Virgin and all the martyrs." The feast was celebrated in the Easter season to emphasize the paschal victory of the martyrs. It has been celebrated on Nov. 1 since about **731**, when **Pope Gregory III** consecrated a chapel in St. Peter's Basilica in honor of all the saints and set the date of the feast. (E,S)

✦ **In 1629, St. OLIVER PLUNKET** was born in Loughcrew, Ireland. He was Archbishop of Armagh. Falsely accused of plotting against the British Crown, he was martyred at London. He is the first Irish person named a saint in 700 years. (W) ■ **In 1946, KAROL WOJTYLA** was ordained to the priesthood in Krakow, Poland, and immediately sent to Rome for studies at the Angelicum University, where he earned a doctorate in ethics. Fr. Karol became **Pope John Paul II**. (A)

✦ **We Remember:** Observed the day after All Saints, **ALL SOULS DAY** commemorates the faithful departed. It is a time when we are reminded of the people in our lives who have died. It is also a time when we are reminded of our own impending death and our subsequent union with God. "ALL SOULS DAY is a beautiful Catholic tradition of one special day of prayer for those who have gone before us in life and who are now in Purgatory. We pray today of our own beloved dead - ancestors, parents, relations, benefactors, friends - and of all the faithful departed." (V)

TODAY'S FEAST DATES BACK TO the **ninth century**, although as early as the seventh century it was the custom in monasteries to set aside a day for prayers for the deceased. **St. Augustine** had praised the custom of praying for the dead outside their actual anniversary, since he felt that they needed suffrages to be admitted to heaven. The Feast spread to Rome in the 14th century, and in the 15th century the Dominicans had the custom of celebrating three Masses on that day in order to fulfill all the requests for Masses. In 1915, Pope Benedict XV extended this privilege to the universal church, prompted by the large number of those who had died in World War I. (W,V) ■ **In 1970**, the death of **RICHARD CARDINAL CUSHING** in Boston, who founded the **very first airport chapel** at Boston's Logan Airport in **1952**.

✦ **We Remember:** **ST. MARTIN DE PORRES (1579-1639)** was born in Lima, Peru, of a Spanish father and a freed black woman; he was given a Christian education by his mother and became a pharmacist and nurse. In 1603, he entered the Dominican Order as a lay brother, much against his father's wishes. St. Martin was well known for his apostolate for the sick and poor. Canonized in 1962, "Martin the Charitable" has been acclaimed as the patron of social justice because he constantly worked for equal rights for all classes of people. (S)

**Wednesday, November 4, 2020**

✦ **We Remember:** **ST. CHARLES BORROMEO (1538-1584)** was born of a noble Italian family (his mother was Margaret de Medici, the sister of the future Pope Pius IV). Charles graduated from the University of Pavia with doctorates in canon and civil law. Ordained a priest at 24 and called to serve at the Vatican, his uncle Pope Pius IV named him cardinal and archbishop of Milan. However, his condemnation of the excesses and abuses in the offices of the Roman Curia aroused the animosity of many persons, and in 1565, after the death of the pope, Charles Borromeo returned to Milan, where he served as archbishop of 18 years, and died Nov. 3, 1584. St. Charles worked vigorously for the reformation of his diocese, establishing the **Confraternity of Christian Doctrine** to instruct.

■ **In 1806**, the birth of **FR. SAMUEL MAZZUCHELLI** in Milan, Italy. He built the first Catholic church in Wisconsin, founded the Dominican Sisters of Sinsinawa, & designed the Courthouse in Galena, Illinois.

✦ **We Remember:** Many saints have borne the name Elizabeth, which means worshiper of God in Hebrew. The first chapter of St. Luke's Gospel tells the story of **Saints ELIZABETH and ZECHARIAH** - the parents of St. John the Baptist. Zechariah was a priest in the Temple in Jerusalem whose wife, Elizabeth - a cousin of the Blessed Virgin Mary - was beyond childbearing age. In a vision, while he was burning incense at the altar of the Lord, the angel Gabriel told Zechariah that he and Elizabeth would have a son and should name him John. When Zechariah thought this doubtful and asked for a sign, the angel announced that he would be struck dumb and only regain his speech when the prophecy was fulfilled. Luke 1 recounts how, aged and barren, Elizabeth miraculously conceived. When Mary visited her during the sixth month of her pregnancy, Elizabeth declared, "Blessed are you among women and blessed is the fruit of your womb" (Luke 1:42) - more commonly known as the second verse of the Hail Mary (the first verse comes from Luke 1:28). Mary then proclaimed the hymn of praise now known as the Magnificat. After John's birth and naming, Zechariah's speech was restored and he pronounced the prophetic oracle now known as the Benedictus. (E,B,L)

✦ **ST. BERTILLA (died c. 705)** was a Benedictine nun at Jouarre, France; she held the offices of infirmarian, headmistress of the convent school and prioress. She was made the first abbess of the nunnery at Chelles and governed it for half a century. Great numbers flocked to her convent, including many Anglo-Saxon girls. (B) ■ **THE COUNCIL OF CONSTANCE** opened today in 1414 (it concluded in 1418). The 16th ecumenical council of the Church and second of three reform councils (with Pisa and Basel), it was called to deal with the crisis of papal authority provoked by the **Great Schism (1378-1417)**. It elected Pope Martin V on Nov. 11, 1417 and condemned 267 teachings of the Englishman **John Wycliffe** (c. 1329-84). Wycliffe's Bohemian follower **John Hus** (1369-1415) consented to attend, but despite the emperor's guarantee of safe conduct, Hus was imprisoned, condemned for heresy, and burned at the stake July 6, 1415. (E,W)

✦ **We Remember:** **ST. LEONARD (died c. 559)**, one of the most popular saints of Western Europe during the late Middle Ages, was a Frankish nobleman, the godson of King Clovis I (the first Catholic King of France). Even more noted for his sanctity than his nobility, Leonard declined a bishopric offered to him by Clovis in order to live as a monk, and eventually, as a hermit in a forest near Limoges. Clovis was hunting in this forest one day when his queen, who had accompanied him, went into a difficult labor. Leonard prayed for her, and the child was delivered safely. To show his appreciation, the king gave Leonard as much land as he could ride around on his donkey in the course of one night. On this land, Leonard formed a community; it thrived and became the **Abbey of Noblac**, which is now called the town of Saint-Leonard.

As Leonard evangelized the surrounding area he became known for his miracles. He died at Noblac and is the patron saint of women in labor, as well as prisoners (because of the legend that Clovis promised to release every captive Leonard visited). Today, St. Leonard is still invoked in Germany, Belgium, Spain, Italy and Poland; and in France, a host of churches have been dedicated to him. (G,P,R,B) ✦ Today is also the feast of **ST. DEMETRIAN (c. 835-912)** one of the greatest bishops and most venerated saints of Cyprus. He is especially honored for his purity and power of healing. (D,B)

**Saturday, November 7, 2020**

✦ **We Remember:** **ST. WILLIBRORD (c. 658-739)**, "Apostle of the Frisians," was born in England, trained in Ireland to be a missionary, and then went to what is now Holland, Belgium and Denmark, accompanied by eleven other English monks, to spread the Gospel. Six years later, in about 690, he was ordained bishop by Pope Sergius and established his see at Utrecht. His labors bore much fruit, and with the help of Pepin of Herstal, Willibrord founded the monastery of Echternach in Luxembourg in 698 as the center of his missionary activity. There he died, and his relics still remain at Echternach and are held in great veneration. (B,D,P,R)
