

Interfaith Airport Chapels of Chicago 2008 Annual Golf Outing

Here are some photos from our golf outing that was held on August 26, 2008, at Bloomingdale Golf Club.

This "fun-raiser" was a great success. The course was sold out and the golfers enjoyed 18 holes of golf with a BBQ banquet featuring chicken, ribs and a whole roast pig.

We also had some great raffle and door prizes.

Thank you to all of the sponsors and supporters of the Interfaith Airport Chapels of Chicago, serving the airport communities of O'Hare and Midway International Airports.

Know that you and your families are always in our prayers.
